

Election Questionnaire for City Council and Mayoral Candidates

Please answer "yes" or "no"; include additional comments if desired:

1. Organizations like Planned Parenthood (PP) routinely counsel women to have abortions, and increasingly, are involved in dispensing the chemical abortion pill. Given that abortion is a controversial practice that many taxpayers in your municipality find abhorrent, do you agree that PP and similar "sexual health agencies" should not receive taxpayer funds through the municipality?

YES _____ NO _____

2. There has been a move in some municipal jurisdictions to pass bylaws which establish censorship zones, also called "bubble zones", around abortion facilities. These unconstitutional censorship zones make it illegal to express peaceful pro-life speech, including silent prayer, on taxpayer-owned public sidewalks within the vicinity of abortion facilities and pharmacies which dispense abortion pills. If elected, would you vote to oppose such a censorship bylaw?

YES _____ NO _____

3. Do you acknowledge that human life begins at conception (fertilization)?

YES _____ NO _____

4. Do you consider yourself pro-life _____ or pro-choice? _____ (Check one only)
